Austen Kite

Psychology Student at UC Berkeley
Los Angeles, California, United States

Summary

UC Berkeley student interested in psychology, business, and social impact. Background in leadership, sustainability research, and community-focused initiatives, with experience in team environments.

Experience

Berkeley Women in Business (BWIB)

1 year

University Relations Committee Member

January 2026 - Present (7 months)

Supported BWIB's external engagement by building connections with other student organizations, club alumni, and UC Berkeley professors. Coordinated club wide events such as Professor Spotlight to expand our professional network.

Community Development Committee Member

August 2025 - January 2026 (6 months)

Coordinated service and social programming alongside a 6-member team to strengthen community engagement within the club.

GLORIA'S CAKE & CANDY SUPPLIES LLC

Sales Associate

June 2025 - August 2025 (3 months)

Culver City, California, United States

Served customers, handled finances using Shopify, assisted with product descriptions, transactions, and inventory. Built communication and problem-solving skills in a small-business environment.

The Seed CA

Catering Assistant

August 2024 - August 2025 (1 year 1 month)

Los Angeles, California, United States

Supported catering operations for events, including order processing, setup, and on-site service. Assisted with holiday deliveries and social media content for a growing local brand.

UCLA Lab School

Volunteer Daycare Aide

February 2024 - June 2025 (1 year 5 months)

Los Angeles, CA

Supervised children ages 4-12 in a bilingual after-school program. Led arts, cooking, and sports activities while providing social-emotional support.

UCLA

High School Researcher- UCLA Sustainability Department

July 2024 - May 2025 (11 months)

Conducted year-long applied research project about campus move-out waste redistribution. Helped catalog and redistribute donated goods to students in need. Developed survey-based research to quantify environmental and financial impact of student waste. Presented findings at UCLA Undergraduate Research Week, wrote a comprehensive research paper, and proposed a "Sustainable Move-Out" plan.

Independent

High School Researcher- Mental Health Education

August 2023 - May 2024 (10 months)

Conducted a comprehensive literature review and analysis on the Impact of Mental Health Education on High School and College Students. My research focused on the effectiveness of mental health literacy (MHL) curricula in various global contexts, including Canada, China, and the United States.

Lake of the Woods & Greenwoods Camps

Counselor in Training

June 2023 - July 2023 (2 months)

Decatur, Michigan, United States

Provided live in care for 10-12 year-old campers. Assisted in daily programming across activities including sailing, cooking, arts and crafts.
