Johannes von Rohr

Entrepreneur & Investor
Deutschland

Zusammenfassung

Johannes is the Founder & CEO of VOLT, driving the energy transition in Southeast Asia. He previously co-founded Lazada Thailand and Rabbit Care, building leading consumer platforms in the region. With deep expertise in scaling direct-to-consumer businesses, he now focuses on accelerating the shift to renewable energy. Johannes began his career at BCG.

Berufserfahrung

VOLT Solar

Founder & Investor

August 2024 - Present (2 Jahre)

Bangkok, Bangkok City, Thailand

We empower homeowners and businesses with affordable solar energy solutions that save money on electricity and reduce CO2 emissions.

Rabbit Care

Founder & Investor

Juni 2013 - Present (13 Jahre 2 Monate)

Bangkok

Rabbit Care is Thailand's largest marketplace for insurance and financial products. We are the first choice for transparent insurance and financial advice.

Alpha Founders Capital

Founding Partner

April 2016 - Present (10 Jahre 4 Monate)
