Stefan Jeschonnek

Angel investor & Founding Partner at Discovery Ventures
Berlin, Berlin, Germany

Summary

Serial entrepreneur and angel investor. Co-Founder of SumUp and Zeitgold (acquired by Deel) and founding partner of Discovery Ventures

Experience

Discovery Ventures

Founding partner

2015 - Present (11 years)

Discovery Ventures is an angel fund, founded by SumUp and Zeitgold co-founders Jan Deepen and Stefan Jeschonnek.

We back outstanding entrepreneurs solving big and relevant problems. Our scope includes breakout companies irrespective of industry or geography, with a focus on FinTech, SaaS for SMB and enterprise, and AI-based solutions.

To date, we have invested in around 50 teams, including companies like Trade Republic, Gorillas, Deel, TripActions, Verbit, Choco, and Flaschenpost.
