Lasse Schuirmann

Getting MVPs live | Rescuing stalled software projects | Guaranteed success or money back
Stadt Hamburg, Hamburg, Germany

Summary

Are you ready to launch your startup in the next weeks?

Are you regularly talking to customers and iterating your project every couple of weeks instead of months?

Or do you belong to the 95% of the startups who develop their product all the time without ever being able to launch it?

-> How we work: <https://www.youtube.com/watch?v=po4VC-FfMRw>
