Gilles COMLANVI

DIRECTOR - HEAD OF WORKPLACE SERVICES | Continuous Improvement of End Users Services | Budget management and Optimization | Leadership
Singapore, Singapore

Summary

I am result-oriented with more than 15 years IT experience. I am currently in charge of Workplace services, drove the strategy to provide remote work infrastructure (Citrix, Jabber...), and tools (Laptop, headset...) to all staff of of the bank during COVID-19. Prior to that position, I was key actor for the successful transfer of IT production activities from France to Singapore. I run successfully the merging of multiple teams thanks to the coaching , training of the staff, while reducing recurrent tasks by automation.
