Ashley Kolz

Biological Engineering | Student at Purdue University
Homer Glen, Illinois, United States

Summary

Hello! My name is Ashley Kolz, and I am a Biological Engineering student at Purdue University considering a concentration in cellular and molecular engineering. I am interested in working an internship to gain experience and develop new skills for industry-related work or research.

Experience

ECP Incorporated

Intern

June 2025 - August 2025 (3 months)

Woodridge, Illinois, United States

Organized various documents and spreadsheets, helped organize select items in the warehouse, and collaborated with the claims department.

Bengtson's Pumpkin Farm

Cashier

September 2022 - August 2024 (2 years)

Homer Glen, Illinois, United States

I worked a seasonal job during Fall 2022, 2023, and Summer 2024 as a cashier, food runner, and stocker.

Education

Purdue University

Bachelor's degree, Biological/Biosystems Engineering · (August 2024 - May 2028)

Lockport Township High School East

High School Diploma · (August 2020 - June 2024)
